

Family Geography Day

Feeding a Hungry Planet:

the Future of Food!

**Saturday, November 8, 2014, 1pm-4pm,
Discovery Museum**

Maine

Presented by: Maine Geographic Alliance and Maine Discovery Museum

Food: A basic human need, part of every celebration and for many people a daily struggle. By 2050 the world will have 9 billion hungry mouths to feed! What does

food mean for you?

◆ **All afternoon (1pm-4pm)**
